TAKE THIS TOWN

THANK YOU

This album is made possible by my cherished Kickstarter backers without whom these songs would not exist in this form. I love and thank my beloved Midwest & East Coast family and those who've helped me create this substantial sound from what used to be humble melodies & penciled lyrics.

It's the gifts of others that allowed this album to be born. May I gift it back to you with hopes you'll tap your toes, sing along, think deeply about a few things, and develop or chase a dream or two...

I thank God from the depths of my soul for music—this intangible substance and force that allows us the ability to express things we could not otherwise simply say.

Thank you for listening.

Much Love,

MAKENZIE CAINE

- 
- A watercolor illustration of a city skyline on a hill. The city is composed of various colored buildings (yellow, orange, blue, green) and is situated on a green hill. The background is a soft, blended wash of yellow, orange, and blue, suggesting a sunset or sunrise. The overall style is artistic and hand-drawn.
